

Indiana Ski Council Annual Racing Trip for 2020

Boyne Highlands, Michigan; February 7-9, 2020; Base price \$423.

The Indiana Ski Council (ISC) had conducted annual races between Indiana ski clubs for 47 years (since 1972). Members who have attended these races have many happy memories. However, all good things must end. The weekend of February 7-9, 2020, will be our final, but most exciting, racing weekend possible. We'll have our usual hot-tub party, a gala Banquet/Awards Dinner, and plenty of comradeship among fellow Indiana skiers. The racing will be exciting as usual, but you don't have to race to have a good time. Note: Prices do not include a bus; bus will be provided at \$100 per person if we get sufficient participation.

The races feature an Olympic-style venue with two runs on each of twin courses. The combined best times on the two courses will determine medals. First, second, third and fourth place medals will be presented in each division, plus fastest woman and fastest man. All participants, whether racing or not, will receive special commemorative souvenirs of the final ISC racing trip.

The ISC weekend ski-racing package includes Friday and Saturday night lodging at the Bartley House (ski in--ski out), weekend lift ticket, two breakfasts, and the Saturday night gala banquet. Tickets are good Friday after 4:30 pm as well as all day Saturday and Sunday.
